OFFICE OF THE ASSISTANT CHIEF OF STAFF, G-4, LOGISTICS

WASHINGTON 25, D. C.

G4/D5-A-38(SF)

SUBJECT: Verification of Signatures on Letters of Authority

TO: Mr. James A. Garrison, Chief of Procurement and Supply
Central Intelligence Agency
2430 E Street N.W.
Washington 25, D. C.

1. Attention is invited to Letters of Authority, G4/D5-010322, 010323, and 010338, dated 16 Jan 1953, which are attached as Inclosures 1 through 3, inclusive.

2. Inspection of the signature in paragraph 2 of the three letters referred to above indicates a marked difference between the signature appearing thereon and that signature originally provided to this office at the time the "Letter of Authority" system was agreed upon. Your attention is specifically invited to the fact that a letter e has apparently been inserted between the b and y in the name [REDACTED] appearing on the three letters.

3. It is requested, therefore, that this signature be verified and that this office be advised as to whether [REDACTED] did in fact pick up the materiel under these Letters of Authority.

4. Attention is further invited to the fact that the pick-up was scheduled for 19 Jan 1953 and was actually made on 21 Jan 1953.

5. Return of the inclosed Letters of Authority and your comments concerning this matter will be appreciated.
